

The ADXB-OE issues several DX-related awards for the AGDX. Membership at ADXB-OE or any other radioclub is not required. Any radio or amateur listener or ham operator is eligible. The following awards are available:

ADXB-OE HEARD ALL CONTINENTS AWARD

Silver Edition

- You can obtain this award for having confirmed stations from the following continents: **EUROPE, AFRICA, ASIA, NORTH AMERICA, SOUTH AMERICA, AUSTRALIA OR PACIFIC (= 6 QSLs in total).**
- Reception of the stations must be within **24 h** (0000-2400 GMT/UTC) for the **silver** diploma. If you have QSLs for receptions within **12 hours**, you can obtain the **golden** diploma.
- Only broadcast stations are valid for the award (**no amateur or utility**).
- Applications must include original QSL cards or letters. They will be returned along with your award. If you request a QSL from a station, always ask for confirmation of the date and time! Or you send Copies undersigned verification by another OM

Gold Edition

AGDX - COUNTRIES AWARD OF ARBEITSGEMEINSCHAFT DX

- Confirmations of reception (QSL-cards or letters) from at least 25 countries are necessary. You can obtain endorsements for 50, 75, 100 or every 10 countries above 100.
- The confirmed station may be of any type: broadcaster, amateur station or commercial (utility) station. Furthermore there are no restrictions on transmission modes (AM, SSB, RTTY, etc.)
- You can obtain the award for the classes broadcast (if all stations confirmed setn in are entirely broadcasters), amateur, utility (like broadcasters) or mixed.
- Valid countries lists are those from the EDXC (European DX Council) or DXCC (DX Century Club, USA).
- You need not send original QSLs. Please send a list with the following details: station name or callsign | type of station | date, time (UTC) | frequency | transmission mode. You must also specify the countries list used (see above).
- Your application must be signed by two radio amateurs or SW listeners of a radio club. You should also declare that there is a QSL for every station you listed, the award manager may ask you for one or another.

AGDX VHF AWARD

- You can obtain this diploma (same design as for HF) for confirmation of reception of stations transmitting on high frequencies (FM/VHF and above). You must have confirmed stations from at least 5 countries (according to countries list as mentioned in the "Countries Award"), endorsements are available for every 5 additional stations.
- Other requirements are the same like those for the "Countries Award".

FEES (FOR EACH AWARD)

Euro 10 or 8 international reply coupons (IRC), please enclose additional IRCs if you wish to have your award sent by air mail. **Bank cheques cannot be accepted.**

Please send your applications directly to the award manager.
